Subject: Re: Pesticide Risk Assessment for Pollinators

Hi, everyone, and Happy New Year!

Today, I am officially retired from SETAC, taking lots of wonderful memories with me, including those of having worked with you, however long or briefly. I know that this much-anticipated book will be a success because of your efforts.

I wish you all the best in your future endeavors, and I'm thankful that I was able to share this one with you.

Best regards,
Mimi Meredith
